Comment on Eurocurrency \$6EH24

I got stopped out of half on the rally yesterday. But half survived. I am NOT reselling the tranche stopped out of because the overhead pattern is just not dynamic enough.

Symmetrical triangle confirmed today in Crude Oil

FactorMembers @factor_members · Jan 25

...

I did not take this trade.

- 1. Symmetrical triangle
- 2. Reversal pattern
- 3. Only four weeks in duration
