Comment on Soybeans

Jan 2 was DAILY, WEEKLY and MONTHLY gap down on charts [\\$ZS_F](#)

Mar chart has huge top, suggests contract lows ahead

Local PGP elevator tells me farmers unwilling to sell at declining prices - this is actually bearish factor cause they will eventually to sell

The world would be much better off if [@vaneck_us](#) would have never gotten involved in Bitcoin.

 **VanEck**  @vaneck_us · Jan 5

We're not Bitcoin tourists at VanEck. We're in it for the long haul. That's why we made an initial \$10k donation and signed a pledge to donate 5% of our Bitcoin ETF profits (if approved) to support Bitcoin Core devs @bitcoinbrink for at least 10 years. Your tireless dedication to...
