

# Factor Members Private Twitter Feed - February 11, 2024

Copper has a potentially bearish feel to it right now on daily chart (H&S) and weekly graph (descending triangle). \$HG\_F  
I will try to sell a retest rally this week

It is Super Bowl Sunday -- I'm all in for San Fran.  
Sunday afternoon from 2 PM until 6 PM are the ***MOST IMPORTANT hours*** for me as a trader. FX is open and Japan and Globex are gearing up. Most of my orders have been entered and alerts set.
