Chart of tradeable interest - \$GC_F
Overnight Gold completed an intraday inv. H&S

FactorMembers @factor_members · Mar 26

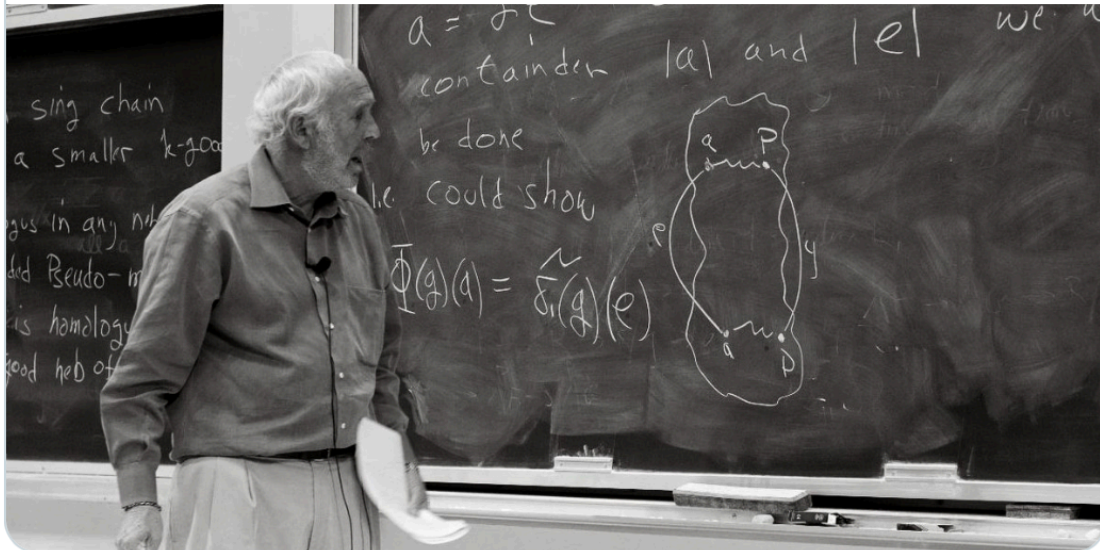

What happens to the next trade or series of trades means NOTHING. Trading success comes from exploiting a small edge over hundreds/thousands of trading events. A trade is nothing more than a datum point in a series of data points subject to random probability

Goshawk Trades @GoshawkTrades · Mar 25

A concept that changed my trading.

The Law of Large Numbers:

FactorMembers @factor_members · Mar 26

Interesting to note that **\$USDJPY** is pausing right at the ice line
